PROVISIONS

No change will be made which would allow the secondary use, irrigation, to become a primary use. The irrigation authorized herein is only allowed as a beneficial re-use of these waters.

Nothing in this authorization shall be construed as satisfying other applicable federal, state or local statutes, ordinances or regulations.

The right to the use of the water aforesaid hereby confirmed is restricted to the lands or place of use herein described, except as provided in RCW 90.03.380, 90.03.390, and 90.44.020.

This certificate of water right is specifically subject to relinquishment for nonuse of water as provided in RCW 90.14.180.

*Given under my hand and the seal of this office at Spokane, Washington,
